PLANNING APPLICATIONS

Planning and Development Act 2000, as amended (Notice of Material Alteration to ABP SID 16.PA0029) in accordance with section 146B of the Planning and Development Act 2000, as amended, An Bord Pleanála has received a request from Oweninny Power 2 Designated Activity Company (OP2DAC) to alter the terms of the previously approved Oweninny Wind Farm development and associated works at Bellacorick Co. Mayo. The request, submitted by Oweninny Power 2 Designated Activity Company (OP2DAC) relates to a proposed alteration to the terms of the An Bord Pleanála approval of the Wind Farm Development and associated works at Bellacorick, Co. Mayo. (An Bord Pleanála reference 16.PA0029). The alteration request includes a Natura Impact Statement (NIS). The alteration sought is described as follows: To alter the supplementary delivery route to bypass the Western Way Bridge on the N59. The proposed works are intended to further facilitate abnormal loads being delivered to the nearby Oweninny Farm Phase 2 development, in particular wind turbine components. Before making a determination on the matter under section 146B of the Act, the Board hereby invites submissions or observations to be made to it in respect of the plans and particulars submitted by Oweninny Power 2 Designated Activity Company (OP2DAC) regarding the proposed alteration. The An Bord Pleanála case reference number for the alteration request is ABP-309043-20. The plans and particulars submitted for the proposed alteration (including the NIS and the details of the request) may be inspected free of charge or purchased on payment of a specified fee (not subject to any additional cost of making a copy) at the offices of Mayo County Council Planning Department at Aras an Chontae, Castlebar, Co. Mayo and the offices of An Bord Pleanála at Marlborough Street, Dublin 1 during public opening hours for a period of 4 weeks commencing on 20th April 2021. Under section 146B(8) of the Act, submissions/observations in relation to the request may be made to An Bord Pleanála, during a period of 4 weeks relating to: (i) the likely effects on the proper planning and sustainable development of the area of the park alteration; and (ii) the likely effects on the environment of the proposed alteration. The Board shall have regard to any submissions/observations including those relating to the NIS made on foot of this invitation. Any submissions/observations in relation to the request to alter the terms of the development (including those related to the NIS) may be made to An Bord Pleanála, 64 Marlborough Street, Dublin 1. Any submission must be accompanied by a fee of €50, except for certain prescribed bodies. Those parties/individuals who previously made a valid submission in relation to An Bord Pleanála in relation to the original application (Reference 16.PA0029) are not required to pay a further fee. Submissions/observations must be received by An Bord Pleanála not later than 5.30 p.m. on 17th May 2021. Please note this final date takes account of the calculation of appropriate periods and other time limits over holidays per section 251 of the Local Government (Planning and Development) Act (as amended). Such submissions/observations must include the following: (i) the name and address of the person making the submission or observation, the name of the person acting on his or her behalf, if any, and the address to which any correspondence relating to the application should be sent; (ii) the subject matter of the submission or observation and (iii) the reasons, considerations and arguments on which the submission or observation is based in full. Any submissions or observations which do not comply with the above requirements cannot be considered by the Board. Any enquiries relating to the application process should be directed to the Strategic Infrastructure Development Section of An Bord Pleanála (Tel. 01-8588100).

PLANNING APPLICATIONS

APPLICATION TO MEATH COUNTY COUNCIL - We, MSD International GmbH t/a MSD Ireland (Dunboyne Biologics) are submitting an application for development at their site at Piercetown, Cradockstown and Ballymagillin Townlands, Dunboyne, County Meath. The application seeks permission for extensions to and modifications of the existing planning permission (Planning Permission Reference Number RA17/0087). The development consists of the construction of a proposed Biopharmaceutical Manufacturing and Research Facility as described hereunder. 1) A single storey with mezzanine Biopharmaceutical Manufacturing and Research Facility sized approximately 17,500 square metres and approximately 14.5 metres high, located north of the existing manufacturing building, including docks and yard-based plant and equipment and roof mounted stacks, equipment and vents including 2 no. boiler stacks, approximately 27 metres high. 2) A single storey, partially glazed pedestrian link approximately 4 metres high. 3) A single storey, cantilevered laboratory situated to the south of the existing laboratory, administration and canteen block sized 1,020 square metres, approximately 12 metres high, including roof mounted plant and equipment. 4) The relocation of 2 no. single storey modular liquid supply and waste stores to the east of the existing warehouse, both sized approximately 30 square metres and approximately 3 metres high. 5) The demolition of the existing single storey waste store located to the south of the proposed facility, sized approximately 235 square metres and approximately 4.7 metres high and the construction of a new waste store to the south of the proposed facility, sized approximately 235 square metres and approximately 4.7 metres high. 6) An extension to the west side of the existing single storey laboratory located adjacent to the southern site vehicular entrance gates, sized approximately 35 square metres and approximately 4.5 metres high. 7) The addition of 12 permanent car parking spaces, bringing the site to a total of 524 permanent car parking spaces and a dedicated shuttle bus parking area and shelter and including 8 disabled car parking spaces, a total of 16 electric vehicle charging spaces and including 36 cycle parking spaces, including the re-use of approximately 460 existing temporary construction related car parking spaces. 8) A landscaped berm approximately 8 metres high located to the rear (east) of the existing manufacturing site. 9) An additional utilities yard, housing plant and equipment, located to the south-west of the proposed facility. 10) Alterations and extensions to existing roads and site works. These works include the use of existing temporary construction facilities and the extension of these temporary facilities and underground services, surface water attenuation tanks, roads, paths, fencing, site lighting, signage and miscellaneous siteworks and yard based plant including generators, bulk gas tanks, pipe bridges, cooling equipment and miscellaneous services. This application consists of an activity for which a licence under Part IV of the Environmental Protection Agency Act 1992 (as amended by the Protection of the Environment Act, 2003) is required and full details of the proposed development and its anticipated environmental impacts will be notified to the Environmental Protection Agency. An Environmental Impact Assessment Report accompanies this application. The Planning Application and the Environmental Impact Assessment Report may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority during the public opening hours. A submission or observation in relation to the Application may be made in writing to the Planning Authority on payment of a fee of €20 within the period of 5 weeks, beginning on the date of receipt by Meath County Council of the Application, and such submissions or observations will be considered by the Planning Authority in making a decision on the application.

PLANNING APPLICATIONS

The Planning Authority may grant permission subject to or without conditions, or may refuse to grant permission.

DUBLIN CITY COUNCIL - ESB Commercial Properties Ltd. intends to apply for planning permission for development at this site of 0049ha, at Rock Lane, Baggot Street Lower, Dublin 2 (in laneway to the rear of No 46, 47 and 48 Baggot Street Lower). The development relates to proposed modifications to part of the wider redevelopment of the site at Nos. 13-30 Fitzwilliam Street Lower, Dublin 2 comprising most of a city block bounded by Fitzwilliam Street Lower, Mount Street Upper, James's Street East and Baggot Street Lower. The proposed development comprises modifications to the development permitted on site under An Bord Pleanála Reference PL29S.244492 (Dublin City Council Reg. Ref. 3052/14), currently under construction. The proposed development consists of the construction of a bin store enclosure (30.5sqm) and associated site development and drainage works above and below ground. The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of Dublin City Council during its public opening hours (9.00am - 4.30pm). A submission or observation in relation to the application may be made in writing to the planning authority on payment of the prescribed fee, €20, within the period of 5 weeks beginning on the date of receipt by the authority of the application and such submissions or observations will be considered by the planning authority in making a decision on the application. The planning authority may grant permission subject to or without conditions, or may refuse to grant permission.
