**Re: ABP Reference 309043-20 - Proposed Alterations to the Oweninny Windfarm Development, County Mayo (Approved under ABP Reference PA0029)**

Dear Sir,

I refer to your letter dated 4<sup>th</sup> March 2021 in relation to Reg. Ref. 309043-20 in which the Board determined that the documents submitted in December 2020 constitute a material alteration to the terms of the development.

Arising from the requirements of the letter, Oweninny Power 2 Designated Activity Company (OP2DAC) has done the following:

- (i) Deposited a copy of the information (including the NIS) relating to the request with Mayo County Council advising that it should be made available for inspection or purchase.
- (ii) Circulated a copy of the information (including the NIS) to each of the prescribed bodies listed on the document issued with the letter from ABP, advising that submissions or observations may be made in writing to the Board before a specified date.
- (iii) Published in two newspapers - Irish Independent 13<sup>th</sup> April 2021 and Western People 13<sup>th</sup> April 2021 – copies attached a notice stating that the request has been made to ABP and that submissions or observations may be made in writing (including related to the NIS) to the Board before a specified date.

- (iv) Erected Site Notices on 19<sup>th</sup> April 2021 – copy attached at the same locations, where the notices for the original application were erected using the wording provided by An Bord Pleanála and at the location of the proposed development in the vicinity of at the Western Way Bridge.

Attached to this letter are copies of the newspaper and site notices and 2 hard copies and 1 electronic copy of the documents required by the letter including the NIS.

If you have any additional queries please contact me at 086 8336990.

Yours sincerely,
